

THE SISTERHOOD PROJECT USA

Project/Program-Specific Budget - Youth Scholarship Program

Grant Request: \$10,000

Service Area: Sarasota and Manatee Counties, Florida

Purpose: Direct scholarship funding for children and teens to participate in sports, music, arts, and other extracurricular programs.

Budget Category	Amount
Direct Youth Scholarships	\$10,000
Administrative / Overhead Costs	\$0
Total Project Budget	\$10,000

Use of Funds

100% of the requested grant funds will be used for direct scholarship expenses for eligible local children and teens. Scholarships may cover registration fees, tuition, lessons, camps, and participation fees for sports, music, arts, and other approved extracurricular activities. Payments are made directly to the program or service provider so families are not required to pay the scholarship amount out of pocket.

Estimated Impact

Individual scholarship awards vary based on the activity and duration of the program and are generally expected to range from approximately \$250 to \$1,000 per child. A \$10,000 grant is expected to provide approximately 15-25 children and teens in Sarasota and/or Manatee County with direct scholarship support.

The Sisterhood Project USA is a volunteer-run nonprofit. No portion of this grant request is budgeted for administrative or overhead expenses.
